**THE BIGGEST SCIENCE FICTION SAGA EVER—BACK IN THE US!**

After a tragic accident, Perry Rhodan encounters a gigantic spaceship of unknown origin. With a small team of specialists he enters the ship and attempts to unravel its mystery. They discover that the starship—home to countless generations of human refugees—launched 50,000 years ago from the legendary prehistoric continent of Lemuria. But what was the destination of this journey?

Enjoyed by millions of fans worldwide, Perry Rhodan is a science fiction series originally from Germany. Since its inception in 1961 more than 3,000 novels have been published, making Perry Rhodan the most ambitious future history ever written.

Now FanPro LLC brings this seminal universe to the English market in novel form for the first time in over 20 years!
